Celebrating 30 Years - Street Survivors 2020!

Club Members,

This is a cruise and car show season that we will never forget. Usually we complain about the rain or cold causing us problems. The Covid 19 Pandemic that we are living through has brought us more challenges than we could ever imagine. Not being able to see our family members or car family is so difficult. I'm sure everyone is anxious to get together but it is more important that we take the time needed to assure that we all can stay healthy. There will be so many meaningful reunions to take place. I personally cannot wait to see and hug my grandsons.

I hope that everyone is healthy and doing what we need to do to stop this pandemic.

Until we can all get together again, Tom 443-838-0948
