NEWS & VIEWS

Club Members,

We have not set an opening date for our Cruise Nights or dates for any car shows. This will be discussed at our Meeting on March 24. Many shows and cruise nights are being posted for 2021 by other Clubs and groups. We are a not for profit organization and have to take into consideration that masks, social distancing and gathering limits are still in effect. Although many are getting vaccinated there still are many whom have not. Unfortunately, not everyone is ready to put their guard down and resume normal activities. We will take the necessary precautions in resuming our Club events. Everyone needs to be patient as we work together in making 2021 a productive year for our Club.
