STREET SURVIVORS OF MARYLAND, INC. P.O. BOX 19830 BROOKLYN PARK, MD 21225

## NEWS & VIEWS

Street Survivors and Friends,

It is bittersweet to see the 2025 car season come to an end. I don't know about all of you, but my network of friends within the car community has expanded greatly. So many new faces and vehicles showing on Friday nights and many more for our bigger shows. I believe I speak for the entire Membership when I say my heart is proud of the dedication of everyone that attends any of our events. If you know any of the Street Survivors of Maryland members, you will know we are all here simply for the purpose of the 3 "C's" Charity, Cars, and Comradery. It is recognized that no one person in this club gets it done, everyone together gets it done with the help of everyone attending and sponsoring.

Trunk or Treat night at the lot was great! So many decorated vehicles, adults, kids and dogs in costumes and laughter everywhere. Great turnout and beautiful weather, thanks to everyone for attending. For Veteran's Day, we weren't so lucky with the weather, but still had our dedicated car enthusiasts attend, and we cannot extend enough gratitude for their participation. During the ceremony, we had all the Veterans line up for recognition and to be coined. It was at that moment someone said aloud "if our Soldiers could fight for our freedom in rain and all types of weather, then we can surely stand here in the rain with our vehicles to raise money and help them." I believe we achieved what we set out to do.

In case you didn't get a chance to get everything out of your garage, basement, or attics, now is your chance! Every year we have our Christmas Show and auction. Anything you wish to donate will be auctioned off during the show to raise money for Alzheimers. In addition to the auction, we will be asking for basket and bake sale donations.

As we close out the season, I want everyone to know how much I greatly appreciate each and every member. I don't think many truly understand how much goes on behind the scenes, year round, to keep Street Survivors of Maryland going yet, we are all here year after year, growing stronger and larger. I cannot thank all of you enough.

Many of our members, family, and friends, have been experiencing health issues. Please keep them in your heart and prayers. Feel free to contact any Board Member with questions or comments.
