P.O. BOX 19830 BROOKLYN PARK, MD 21225

NEWS & VIEWS

Street Survivors and Friends,

Summer is in full swing, and despite a few weather challenges, it has been wonderful to see so many members, friends, and spectators joining us at the lot on Friday nights. The turnout has been so great that on a couple of occasions, parking has been hard to find! We've also welcomed some new vendors this season, and don't forget to check out the 50/50 drawing—especially when the special is running. You never know, you just might be the lucky winner!

Now that vacation season is here, we've noticed a few more open parking spaces. If you're staying close to home, come on out and spend your Friday evening with us. For those heading off on a well-earned vacation, have a fantastic time, travel safely, and don't forget to send us a few pictures—we'd love to see where your adventures take you!

Our members have been representing the Street Survivors at car shows and events across the region, from right here in Severna Park to Pennsylvania and all the way down to Tennessee. It's always great to see our club out supporting the hobby and sharing our passion for classic cars.

Last month, we held our annual food drive, and thanks to your incredible generosity, it was our biggest one yet! Not only was the trailer completely filled, but we also had to load additional donations into the back of a truck. Every item was delivered to Caring Cupboards on Fort Smallwood Road in Pasadena to help local families in need. Thank you to everyone who contributed. Your kindness and willingness to give back make a real difference in our community.

As you enjoy summer cookouts, family gatherings, and other events, please remember to save the pull tabs from your beverage cans and bring them to the lot on Friday nights. These tabs are collected and turned in to support individuals receiving dialysis and others with medical needs. It's a small gesture that can make a meaningful impact.

Finally, many of our members, their families, and friends have been facing health challenges. Please continue to keep them in your thoughts and prayers as they navigate these difficult times.

As always, if you have any questions, comments, or suggestions, please don't hesitate to reach out to any member of the Board. We look forward to seeing you on Friday night!

Stay safe, enjoy the summer, and keep cruising!

President Introduction Thanks for coming and welcome back.

Old Business

Memorial Day Show – Unfortunately, we tried it and the weather was too bad, and we could not hold it. Those members that were present voted to still have the show later when the Elks lodge could accommodate. Everything as stated before such as door prize items, baskets and volunteers are still needed. Many of the original volunteers have other obligations for the new date so now is the time for new people to step up. Elks Lodge will be providing breakfast for in addition to pit beef and turkey sandwiches.

Food Drive – This Friday night had a heat index over 100 degrees and chance of thunderstorms. Some cruisers stopped by the house and dropped off canned goods. If anyone wants to donate, we will still accept them until the last 2nd Friday in July. They can be dropped off at Mike and Erin's house or brought to the lot.

Orphan Grain Train Benefit Night – Friday, June 26, proceeds will go to OGT. Their team will be bringing baked goods and baskets however, if anyone would like to assist with additional, they would appreciate the support. We will be selling 50/50 for them as well.

July 3rd, the lot will not be open.

Collector Car Appreciation Night – July 10th. Amanda is assembling bags for the first 50 arrival. Is there anything else that the group would like to do differently this year?

MEMORIAL DAY CAR SHOW

Our rescheduled Memorial Day Show at the Elks was a success thanks to everyone who attended and especially to the Members who worked to make it happen. We are fortunate to have such dedicated Members who always come forward. A show is comprised of many behind the scene activities that happen weeks and days in advance. From designing flyers and dash plaques to order and purchasing of the winner's awards. The National Anthem sang by Lena was amazing as were her other songs. Our Chaplain Dick Smith presented a wonderful tribute in remembrance of those who died serving our country. We can't thank the Elks, Cheryl and her kitchen helpers for breakfast and the delicious lunch they made. Many thanks to everyone who helped set up, parked cars, brought door prizes, worked at registration, sold shirts, baked delicious items for the bake sale, those who created the amazing raffle baskets and those who worked at the raffle table. As always Erin did a great job with the 50/50. We thank Chris & Russ for tallying the votes and our President, Mike who always give his best to make sure everything goes smoothly. Mike presented 35 awards that were tin signs dedicated to the 250th Anniversary of our Country and a large plaque to the Best In Show Winner. Cathy Mearman took great pictures of the show that were posted on Facebook. All of the show winners were also posted on Facebook. Thanks again to EVERYONE!
