STREET SURVIVORS OF MARYLAND, INC. P.O. BOX 19830 BROOKLYN PARK, MD 21225

NEWS & VIEWS

Street Survivors and Friends,

As summer begins to wind down, it's hard to believe how quickly the season has gone by! Despite a few weather challenges along the way, it has been wonderful to see so many Street Survivors of Maryland members, friends, families, and spectators joining us at the lot on Friday nights. The turnout continues to be great, and we always enjoy seeing familiar faces as well as welcoming new ones. Be sure to check out our vendors and don't forget about the 50/50 drawing—you never know when your lucky night might be!

Our members and frequent friends who join us at the lot on Friday nights have also been busy traveling to car shows and events throughout the summer. From local shows to events across the region, you have represented Street Survivors of Maryland with pride and enthusiasm—and many of you have brought home some well-deserved awards along the way! **Congratulations to all of our winners!** We're proud of each and every one of you. There are still many more shows and events coming up, so we hope to see you out there supporting the hobby, enjoying the cars, and having a great time. **Good luck to everyone!**

We also want to remind everyone about some exciting events coming up this fall. Mark your calendars for our **Halloween Car Show on October 23, 2026!** This is always such a fun night at the lot as everyone gets into the Halloween spirit and competes to decorate their cars. Children—and, okay, their parents too—come from all over to **Trunk or Treat** safely while enjoying an evening full of cars, costumes, games, and fun. Last year, we had a parade, played games, and even had a few cars that somehow started talking all on their own. It was quite spooky! (Our l**ast cruise night is October. 30, no trick or treat)** We hope you'll come out and join us for another unforgettable Halloween night.

Looking a little farther ahead, our **Street Survivors of Maryland Veterans Day Show** will be held on **November 8, 2026**, with a rain date of **November 15, 2026**. We are currently looking for **sponsors and donations** to help make this event a success. If you, your business, or someone you know would be interested in sponsoring or donating to the show, please reach out to our Treasurer, **Erin Pilkerton**. Your support is greatly appreciated and helps us continue putting on events that bring our community together.

And before you know it, Christmas will be here! Our Street Survivors of Maryland Christmas Car Show and Indoor Auction is scheduled for December 13, 2026. This will also be our last official show of the year, so be sure to come out and celebrate the season with us.

Also, as you're getting ready for the holidays and looking around the house wondering where you're going to put all those new Christmas goodies, remember—you are more than welcome to donate some of your "stuff" to us! Bring us those items you no longer need, and we'll put them up for auction at our Indoor Auction (by appointment only please). The best part is that the proceeds will be donated to charity, so your unwanted treasures can help make a difference for someone else. What better way to clean out a little space and give back at the same time?

We also want to thank everyone who continues to support our community efforts. Please remember to save the **pull tabs from your beverage cans** and bring them to the lot on Friday nights. These tabs are collected and turned in to support individuals receiving dialysis and others with medical needs. It's a small gesture, but together those small gestures can make a meaningful difference.

As the season changes, we also want to continue keeping our members, their families, and friends who are facing health challenges in our thoughts and prayers. We wish everyone strength, comfort, and brighter days ahead. There is still plenty of cruising, car-showing, and fun to come before we put the cars away for the winter. We hope you'll join us at the lot on Friday nights, come out to one of our upcoming events, and continue supporting your fellow car enthusiasts and the Street Survivors community.

As always, if you have any questions, comments, or suggestions, please don't hesitate to reach out to any member of the Board. We look forward to seeing you on Friday night! Stay safe, enjoy the fall, and keep cruising!
